

Sometimes such statements imply, or the readers (listeners) infer, that the opinions expressed or statements made are the official positions of the Board. The misunderstandings that can result from these incidents can embarrass both the Board member and the Board. Therefore, when writing or speaking on Academy matters to the media, legislators, and other officials, Board members should make it clear that their views do not necessarily reflect the views of the Board or those of their colleagues on the Board.

This policy shall apply to all statements and/or writings by individual Board members that are not explicitly sanctioned by a majority of its members, except as follows:

- A. correspondence, such as legislative proposals, when the Board member has received official guidance from the Board on the matters discussed in the letter;
- B. routine (not for publication) correspondence of the ESP and/or other employees;
- C. routine "thank you" letters of the Board;
- D. statements by Board members on non-school matters (providing the statements do not identify the author as a member of the Board); or
- E. personal statements not intended for publication.
