School Annual Education Report (AER) Cover Letter

April 30, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2016-2017 educational progress for Voyageur Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact School Principals Kimberley Pressley (Grades K-5) or Will Pickens (Grades 6-8) at 313-748-4000 for assistance.

The AER is available for you to review electronically by visiting the following web site www.voyageuracademy.com or you may review a copy in the main office at your child's school.

For the 2016-17 year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has been labeled as TSI.

The Staff at Voyageur Academy is working hard to better identify students who struggle to meet grade level targets. Universal screenings and benchmarking occurs three times per year in the areas of Math, Reading, and Science. Teachers then target instruction and monitor the students' progress every two weeks. Students in grades K-5 that are not making appropriate progress are assigned tutoring and work in small groups on skills-based instructional practice. Students in grades 6th-8th have math and reading support classes where they utilize web-based software for individualized tutorials and individualized learning plans.

Students who are still struggling will then be referred to the Child Find/EST team, where a committee of teachers and support staff will search for and recommend changes in instructional programming and perhaps additional time for a student in smaller groups and/or one-on-one intervention.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Voyageur students are admitted to the school through an open enrollment process by the order in which they apply.

By law, Voyageur cannot restrict enrollment based on selection criteria. Voyageur can, however, limit the total number of students who may attend the school. If there are more applicants than open spaces during the open enrollment period, students are then admitted through a random selection process.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Voyageur Academy's current School Improvement Plan (SIP) was revised in 2016 following careful analysis of student achievement data (M-Step, MAP/NWEA, MTTs Screener). This is a living document and is revised each year based on new data. Our plan includes 3 goal areas: Mathematics, English Language Arts and Culture and Climate.

During the 2016-2017 school year, there were some revisions made to help us be more successful. In K-5th grade, there has been a focus on implementing a new literacy framework to support our classrooms called the Comprehensive Approach to Literacy. In 6th-8th grade, we now use Compass Learning to provide individualized tutorials on skills in reading and math that students need to make appropriate academic growth. Both of these initiatives are used to enhance the instructional support for our scholars.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL.

Voyageur Academy is a Public Charter School Authorized by Ferris State University and managed by Promise Schools.

Special Education Services at Voyageur:

Voyageur provides a full continuum of services for scholars eligible for Special Education Placement:

- Cognitive Impairment
- Learning Disabled

- Emotionally Impaired
- Other Health Impairment (OHI)

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL

The core curriculum is available upon request through the principal’s office. Teachers are able to access district curriculum, as well as other instructional resources (e.g. state standards and benchmarks, links to instructional resources), via the teacher online resources. Our school utilized the Fountas and Pinnell reading continuum as our literacy curriculum framework with a focus on a comprehensive approach to literacy. For math, we use the Eureka math curriculum that is Common Core State Standards’ aligned. In science, the scholars work with the hands-on curriculum entitled Stemsopes. For social studies, we utilize the Michigan Citizenship Curriculum. For social studies, we also utilize Atlas Rubicon. Parents and families can access additional information on our curriculum on our school website at www.voyageuracademy.com. The school leadership, along with instructional coaches, provides on-going professional development and planning support to ensure accurate implementation of the curriculum.

The process of developing and implementing curriculum that is consistent with state and federal mandates has been an on-going process with school and network level leadership. To help supplement the curriculum, all teachers have access to and utilize Compass Learning on a daily basis.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

Our students in grades 3rd-8th at Voyageur Academy take the M-STEP (Michigan Student Test of Educational Progress) once a year in the core subjects of English Language Arts and Math. Students in grades 5th and 8th also are assessed in Social Studies and students in grades 4th and 7th are assessed in Science. We appreciate the continued support of students, parents, staff and our community in this effort. To view the Combined Report at MISchoolData please visit <https://goo.gl/sxXTu7>.

Fall-Spring growth rate on NWEA MAP Reading and Math (grades 2-8) will be at or above the 50th percentile.

11 out of 14 grade/subjects met the 50th percentile in conditional growth on the winter assessment. This is compared to 3 that were reached in Spring 2017.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT REPORT CARD PICK UP

Parent involvement is important for a student to experience educational success. Parents are invited to Report Card Pick Up conferences four times a year at the end of every marking period. For the 2016-2017 school year, the K-8 average for parents attending these quarterly conferences is at 80%.

We are proud of our students, teachers, staff, parents, and administration at Voyageur Academy. We work hard to ensure that our students are successful in every academic content area. If you have any questions about this report, or any other questions, or concerns, please contact at our school, or stop in and visit.

Sincerely,

Kimberley Pressley, School Principal, Voyageur Elementary Academy K- 5

Will Pickens, School Principal, Voyageur Middle School Academy 6 - 8
